DEAR SIR

JUST A BRIEF COMMENT TO LET  
YOU KNOW THAT I AGREE WITH THE  
CHANGE YOU WOULD LIKE TO MAKE IN  
PART 97, CONCERNING MORSE CODE.

IT SHOULD BE ELIMINATED BE-  
CAUSE IT IS KEEPING PEOPLE OUT OF  
AMATEUR RADIO AND IS RESPONSIBLE  
FOR KEEPING TECHNICIANS FROM  
ADVANCING.

THANK YOU.

SINCERELY,

Raymond G. Templeton
